Citizen Outreach PAC Endorses Aimee Jones

Las Vegas, NV – Today, **Citizen Outreach PAC** announced its endorsement of Aimee Jones for Nevada Assembly District 35. **Citizen Outreach PAC President Chuck Muth** offered the following statement:

“Citizen Outreach PAC is proud to endorse Aimee in her run for a seat in the Nevada state Legislature.

“Aimee is a small businesswoman, marketing professional, political commentator and mom to three young children.

“She understands first-hand the burden government imposes on entrepreneurs with excessive regulations and taxation, as well as the need to provide parents with both the right to choose the schools their kids attend along with the financial means to exercise that choice for low- and middle-income families.

“Aimee is a rising conservative star who has signed the Taxpayer Protection Pledge, demonstrating her solid support for taxpayers and limited government. She will be a much-needed voice for fiscal responsibility in the 2019 Nevada State Assembly.”
