**Citizen Outreach PAC Endorses John Ellison**

**Las Vegas, NV** – Today, **Citizen Outreach PAC** announced its endorsement of Assemblyman John Ellison for Nevada Assembly District 33. **Citizen Outreach PAC President Chuck Muth** offered the following statement:

*“Citizen Outreach PAC is proud to endorse John Ellison for re-election to the Nevada State Legislature.*

*“John is a small-business owner who understands that it’s the private sector, not government, that creates jobs. He also fully understands how government taxation and over-regulation do damage to small businesses in Nevada.*

*“He’s a solid conservative who fully backs parental school choice, including full funding for Nevada’s Education Savings Accounts, and is a staunch defender of the Second Amendment.*

*“He voted against the largest tax hike in Nevada history in 2015 and supports repeal of the anti-business/anti-jobs Commerce Tax.*

*“John is a solid, unapologetic conservative who is highly respected by colleagues on both sides of the aisle. District 33 voters have been well-represented by Assemblyman Ellison and should return him to the Legislature.”*
