Citizen Outreach PAC Endorses Matt McCarthy

Las Vegas, NV – Today, **Citizen Outreach PAC** announced its endorsement of Matt McCarthy for Nevada Assembly District 23. **Citizen Outreach PAC President Chuck Muth** offered the following statement:

“Citizen Outreach PAC is proud to endorse Matt in his run for a seat in the Nevada state Legislature.

“Matt is a retired, highly-respected deputy chief of the Las Vegas Metropolitan Police Department. He spent 25 years protecting the citizens of Clark County from criminals and has promised to do the same for the taxpayers of Assembly District 23 by signing the Taxpayer Protection Pledge.

“As a police officer, Matt was shot in the line of duty by a drug dealer, yet totally opposes legislation that would infringe on the Second Amendment rights of law-abiding citizens, saying that “taking away guns has never been the answer.” That’s a powerful voice for gun rights supporters in Carson City.

“Matt is also solidly pro-business and a strong supporter of parental choice in education. He’s as conservative as they come and Citizen Outreach PAC is proud to recommend him to the voters of District 23.”
